

Every year Members of Congress have the opportunity to nominate a student from their congressional district to serve as a Congressional Page. Because the Speaker of the House notifies only a select number of Members to nominate a page for each term, I encourage you to check this page often for the next time I am able to nominate a student for the program.

Qualified applicants need to be at least sixteen years of age prior to the start of the program and must be a junior in high school, a citizen of the United States and have a 3.0 GPA. Please be advised there are no exceptions to these requirements.

More information about the program can be found here: <http://pageprogram.house.gov/index.html>

If you have any questions, please feel free to contact my Washington D.C. office.
